The Client is solely responsible for fulfilling the requirements of a relevant Disclosure Recipient including, but not limited to, ensuring a Disclosure Form includes all the relevant information and any additional undertakings necessary to successfully file a Disclosure Form within the relevant filing deadlines.

13.2 FundApps will not be liable to the Client for, and the Client on behalf of the Client Group hereby irrevocably waives, any claim against FundApps or its Affiliates, employees, officers, agents or subcontractors relating to or arising out of: (a) any of the matters referred to in clause 13.1; (b) delays, acts or omissions, or the accuracy of data provided by an Information Provider, a regulatory authority, Third Party Data provider or Market Data provider; (c) any inability to access or use the Service to the extent arising from a failure of: (i) a Disclosure Recipient's system(s) or the Disclosure Recipient's inability to process Disclosure Forms transmitted by the Client using the Service; or (ii) to the extent arising from a failure of the Client to subscribe to an Information Provider or a Market Data provider; (d) any incorrect Client Data resulting in the receipt of an incorrect alert from the Service; (e) the loss or corruption of Client Data; (f) breaches of Service security, interception of electronic communications, and any unauthorised access to or misuse of computer systems; (g) damage caused by viruses, trojans, worms and other disabling or harmful devices that may affect the Client Group as a result of the use of or access to the Service or (h) any suspension or disruption of the Service.

User in breach of this Agreement (except where such claim is an Infringement Claim or arises out of the intentional misconduct or negligence of FundApps); or (b) the unauthorised use of the Service by any third party where such use is facilitated by the Client Group or its Users.

14.2 Indemnification by FundApps. FundApps will indemnify, defend and hold harmless the Client Group, its officers, directors, employees, agents (the "**Client Indemnified Parties**") from and against all Losses arising out of or in connection with any claim, action, proceedings or allegation brought by a third party against the Client Indemnified Parties alleging that the use of the Software or Service by the Client or the Client Group in accordance with the terms of this Agreement infringes any Intellectual Property Rights of a third party ("**Infringement Claim**"). The Client acknowledges that this clause 14.2 states the entire responsibility and liability of FundApps and the Client's sole and exclusive remedy for any actual or alleged infringement of third-party Intellectual Property Rights in connection with this Agreement.

14.3 Exclusions. Notwithstanding any contrary provision in this Agreement, FundApps has no obligation to indemnify or defend the Client for or against any Infringement Claim to the extent it arises out of or relates to the Client Group's or its User's: (a) use of the Software or Service in combination with materials, software, Intellectual Property Rights or services not furnished or approved by FundApps, where there would be no basis for the Infringement Claim but for the combination; (b) any breach of clause 12.3; (c) improvement, modification or enhancement of, or creation of any derivative work based on, the Software or Service; or (d) failure to implement a work-around, release, update or other modification to or for the Software or Service as provided or directed by FundApps.

14.4 Procedure. Claims covered under clauses 14.1 and 14.2 are "**Indemnified Claims.**" The Parties' obligations with respect to the Indemnified Claims are conditional upon: (a) the indemnified Party giving notice to the indemnifying Party in writing as soon as reasonably practicable of any Indemnified Claim of which it has notice; (b) the indemnified Party not making any admission as to liability or compromise or agreeing to any settlement of any Indemnified Claim without the prior written consent of the indemnifying Party, which consent will not be unreasonably withheld or delayed; each party mitigating its losses; and (c) the indemnified Party permitting the indemnifying Party (and providing it with all authority necessary) to assume, at its own expense, the conduct of or the right to settle all negotiations and litigation arising from any Indemnified Claim and the indemnified Party giving all assistance required in connection with those negotiations and such litigation at the indemnifying Party's reasonable request and expense.

14.5 Mitigation. If any Infringement Claim is made or threatened, or in FundApps' reasonable opinion is likely to be made or threatened against the Client, FundApps may at its sole option and expense, take one of the following actions:

a) procure for the Client the right to continue accessing or using the Service (or any part thereof) in accordance with the terms of this Agreement;

b) modify the Software or the Service so that it ceases to be infringing;

c) replace the Software with non-infringing comparable software; or

d) if the actions in (a) to (c) are not viable, terminate this Agreement immediately by giving notice to the Client and refund any of the Fees paid by the Client as at the date of termination in respect of any period after the effective date of termination, provided that if FundApps modifies or replaces the Software, the

modified or replacement software must comply with the warranties contained in clause 12 and the Client will have the same rights in respect thereof as it would have had under that clause had the references to the date of this license been references to the date on which such modification or replacement was made.

15. MISCELLANEOUS

15.1 Force Majeure. Except with regard to payment obligations, neither Party will be liable to the other Party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement (and such delay or failure does not constitute a breach of this Agreement) to the extent such delay or failure is caused, in whole or in part, by events, occurrences or causes beyond the control and without negligence of the hindered Party (the **"Hindered Party"**), including acts of God, strikes, lockouts, riots, acts of war or terrorism, cybercrime, epidemic or pandemic, earthquake, fire, explosions, and government sanctions or the orders of any court of competent jurisdiction (each a **"Force Majeure Event"**). The Hindered Party will give notice within 5 Business Days following the Force Majeure Event, stating the period of time the occurrence is expected to continue. If the Force Majeure Event prevails for a continuous period of more than 30 days and as a result the proper performance of this Agreement is prevented to a material degree, the non-Hindered Party may terminate this Agreement by giving 30 days' notice. Such termination shall be without prejudice to the rights of the Parties in respect of any breach of this Agreement occurring prior to such termination and not as a result of the Force Majeure Event.

15.2 The Hindered Party will use commercially reasonable efforts to end the delay or failure and ensure the effects of such Force Majeure Event are minimized. The Hindered Party will resume the performance of its obligations as soon as reasonably practicable after the removal of the cause.

15.3 Compliance. Each Party will comply with all applicable anti-corruption and anti-bribery laws, including where applicable the UK Bribery Act 2010 and the US Foreign Corrupt Practices Act, as amended.

15.4 Subcontractors. FundApps may engage a subcontractor to perform all or any of its obligations under this Agreement. FundApps will remain responsible for all acts and omissions of its subcontractors and the acts and omissions of those employed or engaged by the subcontractors as if they were its own. For the avoidance of doubt, the Hosting Provider shall be considered a subcontractor for the purposes of this clause 15.4.

15.5 Assignment. Except with FundApps' prior written consent (not to be unreasonably withheld), the Client may only assign, delegate or transfer this Agreement and any of its rights or obligations under this Agreement to: (a) an Affiliate; or (b) an acquirer of all or a majority of the Client's equity interests, assets, or business to which this Agreement relates (including by a merger, consolidation, or operation of law), in each case, on condition that the transferee agrees to be bound by the terms of the Agreement and demonstrates sufficient finances to fulfil its obligations under this Agreement (a **"Permitted Transfer"**). In the event of a Permitted Transfer, the Relevant Assets immediately prior to the effective date of such Permitted Transfer shall remain the Relevant Assets following the Permitted Transfer. Assets of any acquirer shall become Relevant Assets as soon as the parties comply with the process in clause 5.3 to include these in the Services. FundApps may assign or otherwise transfer this Agreement or any of its rights, remedies or obligations under this Agreement to: (a) an Affiliate for the purposes of providing the Services without any notice to the Client, provided FundApps remains liable for the services provided by any such Affiliate pursuant to the terms of this Agreement; or (b) an acquirer of all or a majority of FundApps' equity interests, assets or business to which this Agreement relates (including by a merger,

consolidation or operation of law upon prior written notice to the Client (**"Change of Control"**). In the event of a Change of Control, the Client may terminate this Agreement on 30 days written notice only if the Client can provide reasonable evidence, that such a Change of Control would have a materially adverse effect on the Client. This Agreement binds and inures to the benefit of the Parties and their respective permitted assignees and successors. The Parties acknowledge that its assignment, delegation or other transfer of this Agreement will not relieve the Parties of their obligations under this Agreement (unless novated separately). Any purported assignment, delegation or other transfer in contravention of this clause is void.

15.6 Notices. All notices, requests, and other communications required or permitted under this Agreement between the Parties must be in writing; and either sent by email or by registered mail to a Party at the postal or email address specified on the Order Form, or any other address notified to a Party from time to time. Additionally, where sent from FundApps to the Client; notices may be delivered by electronic means (such as notifying the change through the Software) provided that FundApps will provide legal notices (including termination notices) by email.

15.7 Entire Agreement. This Agreement (including the Order Form) constitutes the whole agreement between the Parties and supersedes all previous or contemporaneous discussions, correspondence, negotiations, arrangements, understandings and agreements between the Parties with respect to its subject matter. If a provision in the Order Form conflicts with any other provision in this Agreement, those of the Order Form will prevail.

15.8 Counterparts. This Agreement may be executed in counterparts (including electronic copies), each of which is deemed an original and which together form one and the same agreement.

15.9 Amendments. Any amendments to this Agreement must be in writing and signed by each Party's authorised representatives.

15.10 No Waiver. A Party's failure to enforce any provisions of or rights deriving from this Agreement does not waive those provisions or rights, or that Party's right to enforce those provisions or rights. Except to the extent stated otherwise in this Agreement, each Party's rights and remedies under this Agreement are cumulative and are in addition to any other rights and remedies available at law or in equity.

15.11 Severability. If any provision of this Agreement is held invalid, illegal or unenforceable by a court, regulatory authority or Exchange of competent jurisdiction, it will be limited, modified or disregarded to the minimum extent necessary so the rest of this Agreement remains in effect.

15.12 Third-Party Rights. Unless it expressly states otherwise, no one other than a Party to this Agreement shall have any right to enforce any of its terms.

15.13 Independent Relationship. The Parties are independent contractors, not agents, partners or joint venturers.

15.14 Dispute Resolution. The Parties will cooperate in good faith to resolve any dispute, claim or controversy between them arising out of or in relation to this Agreement or the performance of the Services (the **"Disputed Matter"**) within 14 days after a Party notifies the other Party of the Disputed Matter (the **"Resolution Period"**). The Parties acknowledge that their discussions and efforts during the Resolution Period to resolve a Disputed Matter are settlement discussions under applicable rules of evidence and without prejudice to either Party's legal position. In the event the Parties are not able to resolve a Disputed Matter by the conclusion of the Resolution Period, either Party may commence an action, suit or proceeding in accordance with clause 15.15. Solely for purposes of this clause 15.14, "Disputed

Matters" excludes claims for: (i) equitable relief; (ii) indemnification under clause 14; and (iii) that a Party has infringed, misappropriated or otherwise violated the other Party's Intellectual Property Rights.

15.15 Governing Law. If an Order Form is with FundApps Ltd, this Agreement shall be governed by and construed in accordance with English law, excluding its conflict of laws principles and the Parties submit to the exclusive jurisdiction of the courts of London, England in relation to any dispute between them arising in connection with this Agreement. If an Order Form is with FundApps Inc, this Agreement shall be governed by and construed in accordance with the laws of the State of New York, excluding its conflict of laws principles and the Parties submit to the exclusive jurisdiction of the federal and state courts located in the County of New York within the State of New York.

FundApps will calculate the availability at the end of each calendar month as follows:

"Actual uptime minutes" is the number of minutes during which the Client is able to log into and access the Software and any minute during which the Software is unavailable (other than as a result of any Exclusions) is not considered to be an actual uptime minute.

For the avoidance of doubt, FundApps may decline to grant a Service Credit in respect of any period of unavailability for which the Client has failed to submit a claim.
